Diana Safieh speaking at Ascalon Preceptory at Mark Masons Hall in the Province of London

Diana Safieh is a writer and podcast host.

She has spent much of her life in the charity sector, as a fundraiser for humanitarian and development projects in Palestine, including over a decade working with St John Eye Hospital, 7 years of which involved liaising with the Knights Templar.

She was honoured to be invested as a member of the Order of St John for her efforts.

Diana Safieh provides a very well informed and personal insight into the situation in Palestine, past and present. Involved in charity support to the region for many years, particularly with the St. John Eye Hospital, the Guild of St. John and the Most Venerable Order of St. John, she has a unique understanding of the effect that our support can provide and why it is needed. She has met with London Support at multiple events including arranging the sponsorship by the Province of London to the Guild of Sight Fair 2022, and has spoken at an Ascalon Preceptory meeting within the Province.
