**Rev'd Niall Johnston Dep.Gt.Alm**  
Provincial Prelate – London Support

Niall in discussion with Ahmad Awadallah, the Facilities Manager, at the Muristan Clinic in Jerusalem

Niall Johnston is a Church of England priest whose work on conflict prevention and resolution means that he has significant overseas work experience with a considerable amount of time being spent in the Holy Land and surrounding countries. In July 2023, he marked the 30th anniversary of his ordination to the priesthood by presiding at Eucharists in the Eye Hospital chapel and St George's Cathedral in Jerusalem.

A passionate supporter of the Eye Hospital Group, Niall's focus is on raising awareness of the Group's work whilst also supporting fundraising. He is a frequent visitor to the Eye Hospital campuses and is well known to many of the staff both clinical and non-clinical.

Niall is Deputy Great Almoner and the Provincial Prelate of London.

Niall is a Founder of London Support and has made frequent personal trips to the Holy Land, leading Knights Templar Pilgrimages with Knights from across Great Priory, escorting Provincial Priors on introductory visits and developing links between key Provincial Officers and the Eye Hospital team both in Jerusalem and London. The result is that he has built up a unique relationship with the Eye Hospital Group and can provide a first-hand insight into its workings and the real benefits that Great Priory's support provides.
